Bible Art Small Groups

Our Preschool-5th graders had a fantastic time creating art and learning about God in our
Wednesday night small groups, Bible Art. Stay tuned for more small groups in 2025!

Community FALL FESTIVAL

Sunday, October 27 was a beautiful night of fun and fellowship between FUMC Belmont, Hood Memorial AME Zion Church and the Belmont Community. We had trunks to visit, pumpkins to decorate, games to play, food to eat, clues to find, and pictures to take! This amazing event would not have been possible without your generosity of time and candy! Thank you church!
