Good morning and welcome to First United Methodist Church of Belmont! We are so glad you've chosen to worship with us! This morning, we're continuing a worship series exploring Paul's Letter to the Ephesians. In this week's reading, Paul continues to encourage the practice of habits and behaviors that will help us to be more like Jesus. Among his chief concerns is our speech: the ways we talk to and about one another. As we celebrate World Communion Sunday, we remember the power of words to build up and share grace with others in the family of faith, including our brothers and sister in Christ all around the globe.

"Your Words"

CCLI Song # 7032685

Let me hear Your words
Above all other voices
Above all the distractions in this world
For Your words bring life
And Your voice speaks promises
Lord Your love offers more
Than anything else in this world
Your words give us life that's never ending

Your words bring us love that never fails
Everything else will fade away
But what will remain are Your words
Let us speak Your words
More than ours more than ever
Let us share Your love with all the world
The grass will wither and the flowers will fall
But the word of our God will last forever

Welcome to First United Methodist Church of Belmont! We're glad that you've chosen to worship with us this morning. We invite you to explore all the opportunities we have for children, youth and adults of all ages and stages of life. We seek to be a community of faith that welcomes all as we grow to be more like Jesus Christ for our community, loving and serving God and one another in all that we do.

If you are a guest, we are honored to have you with us. Please stop by the information center as you leave this morning to receive a small gift and more information about our church. We look forward to getting to know you in the days to come! Welcome!

Today's Bulletin Cover features "The Best Supper" by United Methodist pastor and artist Jan Richardson. She writes: *"This piece evokes the myriad meals that have fed me in body and soul. As I created this image, I was visited by memories of so many of the tables where I have found hospitality. Those memories are embedded among the pieces of this collage. Circling the table once again, I capture glimpses of those with whom I shared those sacred meals. I remember how we savored every scrap, how we lingered long after the last bite was consumed."*
